

- Select **Students>Progress Surveys** from the hamburger menu.

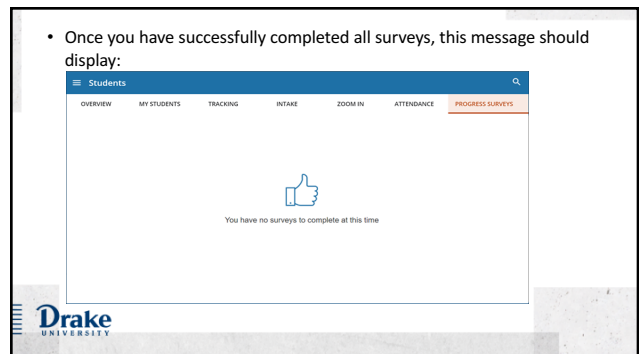

- Review each student and select the appropriate item. When finished click submit. **NOTE: You cannot go review a survey once its submitted.**

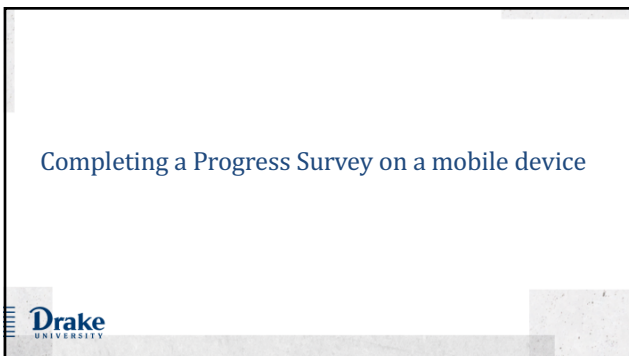

- A message should display indicating you have successfully submitted your survey.

- Once you have successfully completed all surveys, this message should display:

### Completing a Progress Survey on a mobile device

- The same steps apply on the mobile device. Users can select the **Plus** icon to expand the row and leave feedback.
