

DRAKE CHEMISTRY CLUB

From the College of Arts and Science

OUR GOAL

We aim to form a strong support network by offering tutoring sessions the night before exams, and sharing professional opportunities with each other.

WHAT WE DO

The Chemistry Club is an opportunity for students interested in any aspect of the chemical sciences to socialize, gain professional opportunities, and develop strong leadership skills in the field of chemistry.

CONTACT US

If you would like to come "bond" with us, please email drakechemistryclub@gmail.com!
