

COLLEGE OF BUSINESS &
PUBLIC ADMINISTRATION

Finance Society

The Finance Society strives to prepare students for a professional career in finance through discussions on a variety of topics. Topics include advanced personal financing, current events moving the markets, advanced investment strategies, career exploration, interview prep, and others. The Finance Society meets once every other week for roughly 30 minutes. We welcome any major who is interested in finance. There are no requirements to join.

Reach out to hunter.hildebrand@drake.edu if interested.
