

# Kappa Kappa Gamma

Gamma Theta chapter of Kappa Kappa Gamma is an organization thriving on tradition, leadership, academics, and friendship. Within our chapter, we have found a home filled with all of our members where we are encouraged to grow to achieve our highest potential. Alone, each Kappa brings unique qualities to our chapter, but together we make a difference on Drake's campus and in our community.

Kappa Kappa Gamma at Drake supports three philanthropic organizations. These are the National Alliance on Mental Illness (NAMI) Children's Cancer Connection, and the Kappa Kappa Gamma Foundation. Each semester we host various philanthropy events. This past year we held Kappa's & Coffee and Kappa Karnival as well as numerous other fundraising events to raise money and awareness to these organizations.
