

## **Internship Opportunities**

*Welcome to the Health Sciences Experiential Education internship site!*

Here you will find current postings for internships located locally, nationally, and abroad related to issues in health sciences. Please pay close attention to application deadline dates. For more information regarding internships, email the Director of Health Sciences Experiential Education at [rhonda.beemer@drake.edu](mailto:rhonda.beemer@drake.edu)

**Attention Drake University Students:** Also visit Career Blue Print, our on-line career management system, in your Blue View Account. Here you will find all the local and national listings for internships and student employment from companies requesting specifically Drake University Students. You will also find information on workshops and resume development.

## Research Internships
