**ESSENTIAL JOB FUNCTIONS**

Comments:  
The successful candidate will teach courses and help strengthen the curriculum in multimedia reporting and editing, web design and content management, online journalism and visual communication.

Responsibilities include teaching Web Design, multimedia labs required for all first-year SJMC students, and other core and major classes, depending on ability and interest. The typical teaching load is three courses each semester.

Faculty responsibilities also include academic and career advising, service to SJMC and the University, and scholarship/creative activity.

The above assignments are intended to describe the general nature and level of work being performed by people assigned to this job. They are not intended to be an exhaustive list of all responsibilities, duties and skills required.
---

**ESSENTIAL ELEMENTS**

EDUCATION: Bachelor’s degree required. Advanced degree and teaching experience preferred.  
EXPERIENCE: Professional experience is required and may include a mix of the following: online journalism, Web page design, content management, social media, digital video and audio production, digital photography, and broadcast or print reporting.  
OTHER ESSENTIAL TRAINING AND SKILLS: Applicants must be proficient with industry standard platform.
