

Little Pantries Installation

3 of 10 Little Pantries for the Drake University Neighborhood were installed today by Drake LEAD students in partnership with Drake Facilities Planning and Management! Look for them on Drake University campus by the Sprout - The Des Moines Urban Youth Learning Garden (26th St and Forest Avenue), Olmsted Student Center, and the DART bus stop at 28th and University Avenue. Take what you need and leave what you can!

Aaron Edwards, Building and Grounds Manager
