Your 2013-2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided the correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

You, the Drake student, (and your parents if applicable) whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form to Drake University as soon as possible so your aid is not delayed. We may ask for additional information.
