Your FAFSA application was selected by the Federal processors for “Verification”, a review comparing information from your FAFSA with information from financial documents such as federal tax returns and W-2 forms. Federal law and regulation (34 CFR, Part 668) require Drake University to request this information and review it before disbursing Federal financial aid. If there are differences between your FAFSA information and your financial documents, either you or Drake may need to make corrections electronically or by correcting your Student Aid Report (SAR).

Next Steps:

Read all instructions, complete this form, sign and date. Answer each question as it applies to the student and parent(s) whose information is reported on the FAFSA. This form must contain the signature of a parent included on your FAFSA.

Submit this completed worksheet and any other required documents. Put your name and Drake ID# on everything you submit. If more space is needed for any section, provide a separate page with the student’s name and Drake ID# on the top.

Complete this verification form and submit it to Drake University as soon as possible so that your financial aid won’t be delayed. Contact the Drake University Office of Student Financial Planning for questions about this worksheet or other documents you need to submit at 515-271-2905 or 1-800-44-DRAKE Ext. 2905.
