Pre-Occupational Therapy (Clinical & Medical Sciences)

For students entering Fall 2026 or later

Drake offers a pre-Occupational Therapy (pre-OT) program for those interested in an occupational therapy degree, allowing you to begin working toward your Doctorate degree right out of high school. As a pre-OT student, you will complete three years in the pre-OT track, followed by three years in the Occupational Therapy Doctorate (OTD) program. This track includes several benefits including full consideration for admission to Drake's OTD program and an occupational therapy faculty mentor to provide resources & support.

This form is a planning tool only - Consult your degree evaluation in SelfService to view how coursework meets degree requirements.
