## Dean's Note

Dear all,

I hope your week is off to a good start. It seems like the countdown has begun, with three weeks of classes left, and all the end-of-the-semester activities (aka frenzy!) in full swing! It was amazing to listen to all the great things our students are doing at the college awards ceremony last week. Congratulations to Chinatsu Sazawa for being selected as the Teacher of the Year, and to Mary Beth Holtey for the Distinguished Engagement Award! Deborah Kent, last year's TOY, gave a wonderful talk, and Ann Cravero led the ceremonies like a pro. Thank you all for coming out that night and recognizing our students!

We also celebrated a lifetime of service at the retirement luncheon for Joe, Janet and Aimee. Tom Westbrook couldn't be there—but they all must know how much we will miss them! Thank you for coming to the A&S all-faculty meeting in such great numbers. We worked on the mission statement, had a shout-out for those who were awarded tenure and/or promotion this year (congratulations Matt Zwier, John Gitua and John Pomeroy!) and started an important conversation about salary benchmark adjustments. This just shows you how useful regular all-faculty meetings are!

We finalized another tenure-track hire last week, this one in Math. We will have five fantastic new faculty joining us this fall! They will bring additional diversity to our campus and fill needs or retirements in our programs. Well done everyone involved in those searches! And here is the admission update: we were at 264 First Year Student deposits as of last Friday. That's 10 students less than last year on this date, but still on track for our goal of 390 students in the college. We will have another check-in with admissions staff today and will share anything else we learn. Thanks for all you do to help recruit students—every phone call and one-on-one meeting helps!

The week ahead is a big one for Drake. I am curious to finally experience the Relays, everybody has been saying that it's going to be something else here on campus! I'll be attending the Board of Trustees meeting on Thursday-Friday, and lots of Alumni events associated with the Relays. Have a great week, and please reach out if there is anything you want me to know.

## Short's Travel Representative Meeting

Short's Travel Representatives will be on campus on **May 8th from 2-3pm in Levitt Hall** to address questions from A&S faculty and staff. To prepare and facilitate the meeting, please [submit your questions in advance here](#).

## Duo Two-Factor Authentication

**Starting May 1st, it will be required for all Drake faculty, staff, and students to use Duo Two-Factor Authentication to access any Office 365 apps, including myDrake, SharePoint, OnDrive, certain email apps, and MyDusis.**

Duo is a system that sends either a push notification to your mobile device, a text with codes, or a phone call with codes to access the systems above. When using the same browsing session and computer, you only need to use Duo once every 30 days.

You will receive an email from Duo Security (no-reply@duosecurity.com) with instructions on how to enroll and begin using the Duo Two-Factor Authentication. The enrollment guide is located [here](#).

[Provided is an FAQ on the Two-Factor Authentication process.](#)

## "Cultures and Languages Across the Curriculum (CLAC)" Workshop

June 17-18, 2019

Cultures and Languages Across the Curriculum (CLAC) is a growing movement that enhances students' abilities to utilize language skills by applying them in other disciplines. The facilitator for the workshop will be H. Stephen Straight, who is professor emeritus of anthropology and of linguistics at Binghamton University, State University of New York.

Fifteen first-time participants will be paid \$300/day for each day of the two-day workshop. Those who then develop a linked course will receive an additional \$500. A light breakfast and lunch will be provided.

If this is of interest to you, make a save the date entry for yourself: Cultures and Languages Across the Curriculum Workshop. June 17 - June 18, 2019 and RSVP to [marc.pinheiro-cadd@drake.edu](mailto:marc.pinheiro-cadd@drake.edu).

## Spotlights

**Sophia Siegel**, junior ENSS major, has been awarded the Morris K. Udall and Stewart L. Udall Foundation Undergraduate Scholarship. This competitive award recognizes leadership, public service, and commitment to issues related to Native American nations or to the environment. Siegel has an impressive record working on environmental educational issues here on campus and in the community.

For the first time, a Drake team competed in the CUPSI Poetry Slam. The University of Houston in Texas hosted this year's slam on April 10-13. Students Sarah Rosales, Aidan Sarmiento, Daniela Silva (all A&S) and Brenda Vasquez (Edu) were matched against top-ranked Stanford. It was, in the words of the team, a "chance to share our voices, our unique stories through our art, while advocating for those who don't have a voice." In addition to the slam competition, there were professional poetry workshops.

**Ellie Falter**, Assistant Professor of music education, presented research from her doctoral dissertation at the American Educational Research Association's Annual Meeting, this year in Toronto, Canada. In this work, she examined teaching practices by elementary general music teachers across five states. She was recognized for this work by the Music Education Special Interest Area with the Outstanding Graduate Paper Award in Music Education.

**Renee Cramer**, Professor of Law, Politics and Society, was granted an advance contract for her book manuscript, *Attending to Birth: Expanding the Margins of Reproductive Care*, which will be published by Stanford University Press in 2020. She also published an article, "Balance is a Fallacy: Striving For and Supporting a Life with Integrity," co-authored with Nikol Alexander-Floyd and Taneisha Means in *P.S.: Political Science and Politics*.

**Ann Cravero**, Associate Professor of Music, was this year's recipient of the prestigious Voice Pedagogy Award from the National Association of Teachers of Singing Foundation. Through her current research endeavor, Cravero hopes to draw awareness of the vocal education of students on the Autistic Spectrum: Exceptional Students in the Voice Studio: Understanding and Training Students with Asperger's Syndrome.
