

The Management and Organizational Leadership major prepares students for the challenging task of both managing and leading. Beyond gaining core managerial and leadership skills, students gain specialized skills in an area of interest to them by pursuing one (or more) of the major tracks: Organizational Sustainability and Resiliency, Human Resource Management, Business Communication, Non-Profit and Public Management, and Entrepreneurship.

For students entering Fall, 2022 or later

Revised August 10, 2022
