

The School of Accounting provides an education in accounting and business law that prepares graduates to assume entry-level positions in public, private, governmental, and not-for-profit accounting. Its program establishes a foundation for future growth and development for the accounting student and prepares graduates to sit for professional examinations in accounting that lead to such designations as Certified Public Accountant (CPA) and Certified Management Accountant (CMA). This is a STEM-related major.

For students entering Fall, 2023 or later
