Program Terms and Conditions

Eligibility

- A referral gift is awarded when a degree-seeking person:
 - a) enrolls for the first time as a graduate student in CBPA courses as a result of a referral made by a current student or an alumnus of the college, and
 - b) is enrolled as a student after the halfway point of the semester.
- Referrals must be
 - a) submitted via the referral form above, and
 - b) received before the prospective student registers.
- Only one prospective student name should be submitted per form.
- All referrals must include the full name, mailing address, telephone number and valid email address for the prospective student and the person making the referral.
- Employees of Drake University and its partners are not eligible to participate in this program.

Awards

- Awards will need to be picked up in the CBPA Graduate Programs office by the referrer after the prospective student has enrolled and remained a student beyond the halfway point of the semester.
- Participants may not make any substitutions, including cash, for gifts earned in this program.

General

- Referral forms for prospective students will be kept for 24 months from the date of referral and dropped from consideration if enrollment in a class does not occur in that period.
- If multiple referrals are received for the same prospective student, only the first referral received will be considered for the incentive gift.
- Drake University CBPA Graduate Programs reserves the right to amend or cancel any or all of the Referral Incentive Program at any time without notice.
- Drake University CBPA Graduate Programs reserves the right to interpret the rules of the program in any of their applications.
- Decisions on program rules and participant eligibility are made solely by Drake University CBPA Graduate Programs. All decisions are final and binding.
