5. Service to Drake University

Department Chair

- Co-Chair for Economics, Department of Economics and Finance (July 2021-present).
- Chair, Department of Economics and Finance (July 2019-June 2021).
- Chair, Department of Actuarial Science, Economics, Finance, Insurance, and Statistics (June 2009-May 2012).
- Chair, Department of Economics, Finance, and Insurance (July 2001-June 2002).
- Chair, Department of Economics (July 1998-June 2001). My three-year term of service included preparing materials for University Program Review, participating in Program Review meetings within the College of Arts and Sciences, and moving the Economics Department into the College of Business in the summer of 2001.

Economics Program

- Maintain Economics Program web site: first <http://www.drake.edu/as/econ>, then <http://www.drake.edu/cbpa/econ/>, now <http://www.drake.edu/economics> (September 1995-present).
- Supervise Economics Tutoring Lab (August 1998-June 2019).
- Chair, Economics Search Committee (2001-02, 2008-09, 2010-11, 2014-15, 2015-16). The results speak for themselves!
- Co-chair, Intercollege Committee for the Quantitative Economics Major (2004-2015). In 2003, Mathematics Professor Dan Alexander and I developed a new interdisciplinary major in Quantitative Economics, which was approved by Board of Trustees in April 2004.

Zimpleman College of Business¹

- Member, College Promotion and Tenure Committee (September 2004-May 2010, September 2011-May 2013, September 2020-May 2023). Chair, September 2012-May 2013, and again September 2022-May 2023.
- Member, College Undergraduate Curriculum Committee (September 2005-May 2009, September 2018-May 2020). Chair, September 2006-May 2007 and again September 2018-June 2020. During my first term as chair, the Committee continued assessment of General Learning Objectives, developed Management-Specific Learning Goals for the College, and reviewed the Business Core Curriculum. During my second term as chair, the Committee developed a proposal for disciplinary minors, which was approved by the College Faculty in spring 2020.
- Member, College Annual Review Committee (January 2013-March 2014).
- Member, Actuarial Science Search Committee (June 2011-March 2014).
- Member, Finance Search Committee (October 2009-February 2010).
- Member, College Graduate Curriculum Committee (September 2003-June 2005). Chair, September 2004-June 2005.
- Member, College Academic Integrity Policy Committee (September 2003-June 2005).
- Member, Statistics Search Committee (September-December 2005).

¹ The College of Business and Public Administration was renamed the Zimpleman College of Business in February 2023.

College of Arts and Sciences²

- Member, Arts and Sciences Council (August 1997-May 1999, August 2000-May 2001). This elective body met monthly and did work similar to the College of Business's general faculty meeting. The volume of work is larger, however, due to the size and diversity of the College of Arts and Sciences.
- Member, College Planning and Review Committee (August 1997-May 1999). This committee approved new programs and supervised review of existing programs.
- Member, College Technology Planning Committee (December 2000-May 2001). This committee approved proposals from departments and individual instructors to use moneys from the new student technology fee.

University Service

- Member, University Task Force on Identity-Based Labor (September 2021-May 2023).
- Member, University Senate Compensation Committee (September 2017-May 2019).
- Member, University Curriculum Committee (September 2012-May 2014).
- Member, College of Arts and Sciences Dean Search Committee (August 2008-January 2009).
- Member, University Grants Committee (March-April 2008). This committee evaluated grant proposals from faculty members across the University.
- Member, University Salary Committee (December 2007-March 2008). This committee provided feedback to the Provost on procedures for adjusting salaries.
- Member, General Education Study Group (May-September 2005).
- Participant, Center for Digital Technology and Learning Focus Group (August 2003).
- Paid consultant to Department of Athletics, "Economic Impact of the 2001 Drake Relays."
- Member, Faculty Senate Budget and Business Affairs Committee (August 1999-2000). This committee reviews University budgetary developments and provides feedback to the Provost and the Vice President for Business Affairs.

² The Department of Economics was part of the College of Arts and Sciences until 2001, when it was moved to the College of Business and Public Administration and merged with the Department of Finance.
