

The background of the entire poster is a faded, high-angle photograph of a group of students in white lab coats. They are gathered around a table, looking down at papers or devices, suggesting a clinical or laboratory setting. The image is slightly out of focus, emphasizing the text overlay.

MEANING OF THE WHITE COAT CEREMONY

Coating ceremonies have been a symbolic milestone for Drake University College of Pharmacy & Health Sciences students since 1988. These ceremonies mark the beginning of a journey for Pharmacy students as they transition into the professional program. The students will receive their traditional white coats and name tags and read the Pharmacy Pledge of Professionalism with their cohort before their families and friends.
