

The **Drake OTD Connection** is provided to pre-occupational therapy students to better prepare them for professional programs in occupational therapy, specifically the Drake University Occupational Therapy Doctorate (OTD) program.

Benefits of the Drake OTD Connection:

- **Participants will be given full consideration for admission** to Drake's professional OTD program, including the opportunity to complete the required admission interview.
- **An occupational therapy faculty mentor/advisor and the CPHS Office of Student Affairs and Enrollment Management** are available to provide resources and support for students.
- **Participants receive the opportunity to join professional occupational therapy and state organizations**, providing opportunities to network with occupational therapists and students in the professional program.
- **Students enroll in a Health Sciences Core course series** where they gain job shadowing experiences, career exploration opportunities, knowledge of the healthcare system, and access to University resources.
- **No GRE or other admission exam required!**

To be considered for admission to the professional OTD program, the following requirements must be completed by the end of the third year of pre-OT unless otherwise indicated:

- Earn a cumulative GPA of 3.0 or higher, as calculated in OTCAS.
- Complete and pass all required prerequisite pre-OT coursework. Courses may be repeated one time by the end of the summer term prior to enrollment in the professional program (Drake course numbers):
 - Anatomy and Physiology with labs, 8 cr. (HSCI 141/L, HSCI 125/L, PHAR 125, BIO 018/L, BIO 129)
 - General Psychology, 3 cr. (PSY 001, 4 cr.)
 - PSY 001, 076, and a choice of PSY 042, 044 or HSCI 146 (general, abnormal and developmental psychology)
 - Developmental Psychology, 3 cr. (HSCI 146, PSY 042, PSY 044)
 - Abnormal Psychology, 3 cr. (PSY 076)
 - Social Science Elective, 3 cr. (approved course in ECON, PSY, SCS, and other social sciences)
 - Statistics, 3 cr. (HSCI 060, STAT 060)
 - Medical Terminology, 1 cr. (HSCI 095)
 - Writing/English Composition, 6 cr. (WRIT AOI, FYS)
 - Public Speaking, 3 cr. (SCSR 073)
- Successfully complete HSCI 020, 021, 025, 055, 105, 106, and 172
- Complete at least 3 years of undergraduate coursework (approximately 92 credit hours) by the end of the summer term prior to enrollment in the professional program, enroll in a minimum of 12 credit hours at Drake University each semester, and remain in good standing with the University.

Admission to and participation in the pre-OT program does not guarantee admission to Drake's professional OTD program. Final admission decisions are determined by the quality and quantity of the full applicant pool.

Applicants will be evaluated on the content and quality of all items listed below:

- Complete OTCAS application submitted with all fees by the priority deadline of September 1st (www.otcas.org and www.drake.edu/cphs)
- Academic performance and strength of prerequisite and overall coursework. Students offered final admission may have GPAs much higher than the minimums
- Admission interview

Students who do not meet priority application deadlines or do not complete the admission interview when scheduled may have their application review delayed.

Drake University

Occupational Therapy Doctorate (OTD)

Program Outcomes

The Drake University Occupational Therapy Doctorate Program will prepare students with the flexible, clinical, analytical and practice skills necessary to succeed in occupational therapy through an interdisciplinary blend of professional, science, and liberal arts education. The purpose of the program is to provide graduates with entry-level knowledge base, skills, attitudes, ethics and values to succeed in occupational therapy careers. The program will endeavor to produce graduates that will be successful in the following areas:

1. Graduates will demonstrate the ability to utilize and analyze evidence for occupation-based practice and develop habits of life-long learning.
2. Graduates will value and engage in service opportunities to promote health and well-being for diverse and underserved populations.
3. Graduates will demonstrate competent clinical reasoning and care using occupation to enable clients across the lifespan within varied groups and populations to live life to the fullest.
4. Graduates will display professionalism, ethical behavior, and advocacy skills to influence positive change with clients, communities and the profession.

Our Occupational Therapy Doctorate (OTD) curricular themes are:

- Professional responsibility and scholarship
- Collaborative community engagement
- Occupation across the lifespan
- Professional identity
