

Sometimes, I have to do
things I do not want to
do

Lily, it is time to do your reading for school.

But I don't want to.

I understand. But

A partial view of a comic book panel. The background is a light gray color. On the left side, there are several overlapping rectangular shapes in shades of tan and brown, suggesting a bookshelf or a stack of books. A white speech bubble with a black border is positioned in the lower-left area. To the right of the speech bubble, there is a small pink rectangular shape. The text inside the speech bubble is black and reads: "After, you finish your reading. You can go outside and play!"

After, you finish your reading. You can go outside and play!

Thanks for finishing your reading, Lily! You can go play now!

Thanks, Mom!

I'm glad i finished
my reading! Now i
can Play!

- Sometimes I have to do things I do not want to do.

- It is okay to be frustrated or unhappy.
- But it is important to do it anyway.

- I can do the things I want to do after.
- And so can you!
