

# My Trip to the ZOO

Today I am going to the zoo!

**Lots of animals live at the zoo.**

**First,  
I ride in the car to the zoo.**

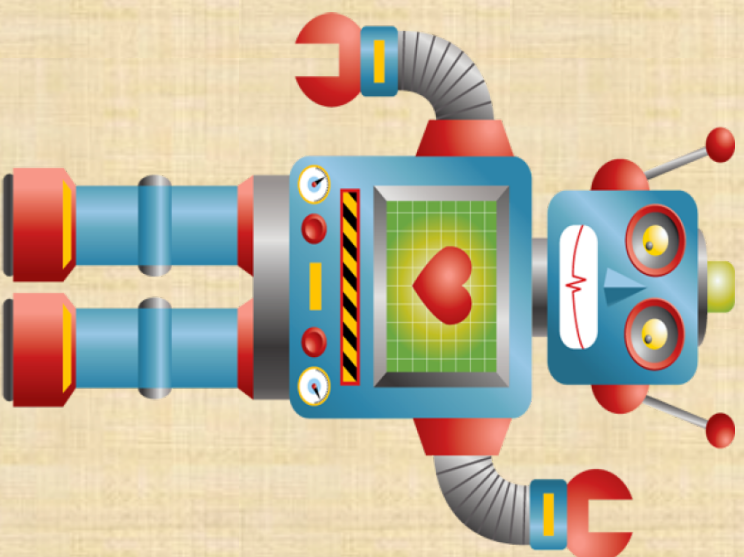

**It is important to sit quietly with  
my seatbelt on.**

I can play with my toy while I ride  
in the car.

To enter the zoo, I have to **stand in line** while Mom and Dad get tickets.

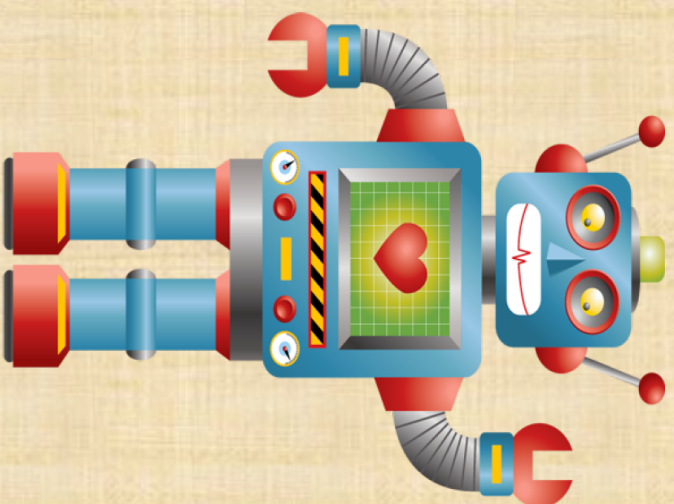

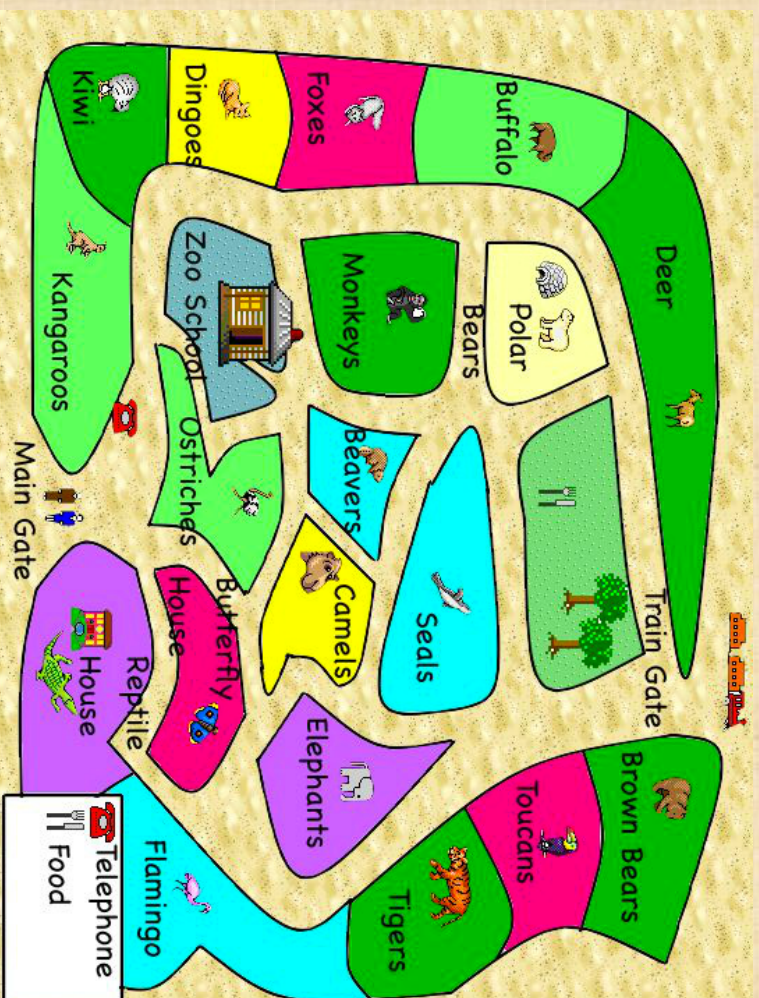

I might feel really excited to see the animals but I need to **wait** quietly.

I can play with \_\_\_\_\_ while I  
wait in line.

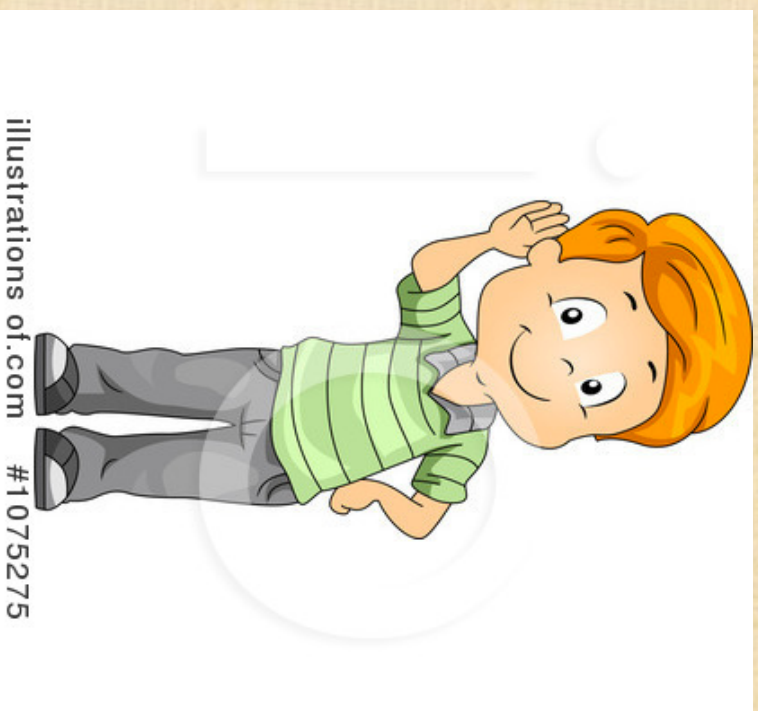

Then we can begin exploring the  
ZOO!

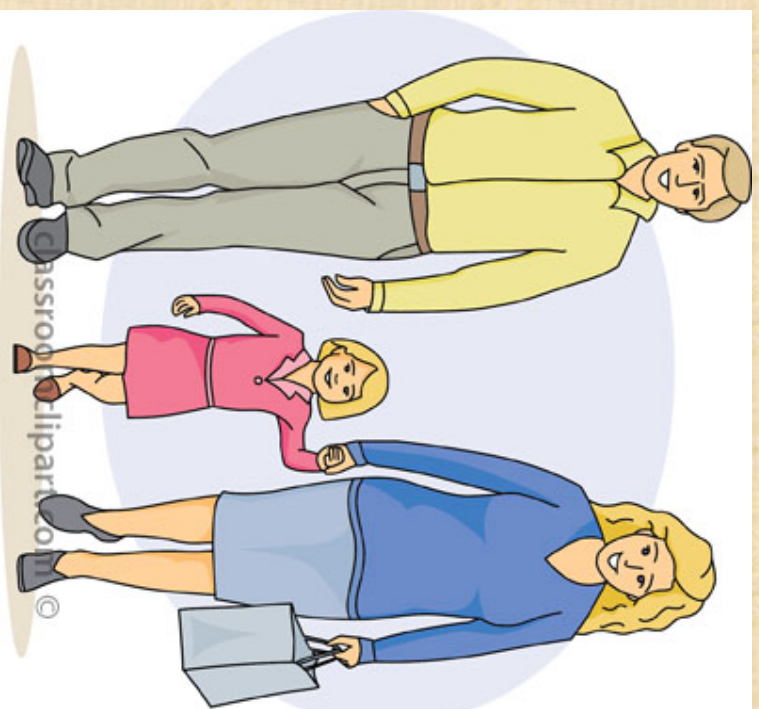

I \_\_\_\_\_ to my parents when they tell  
me where to go because they have  
the map.

The zoo is very **crowded** with  
lots of people.

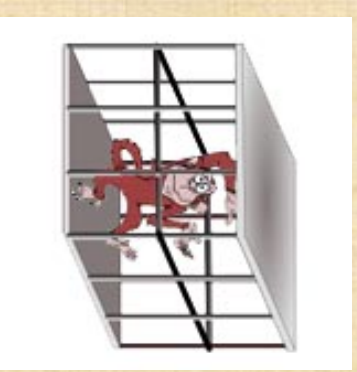

I need to **stay close** to Mom and Dad  
so I don't get lost.

**I will not run away to see the next animal without them, because that makes them upset.**

**I do a lot of walking at the zoo.**

**If I feel overwhelmed or tired I can  
sit on a bench and take a break.**

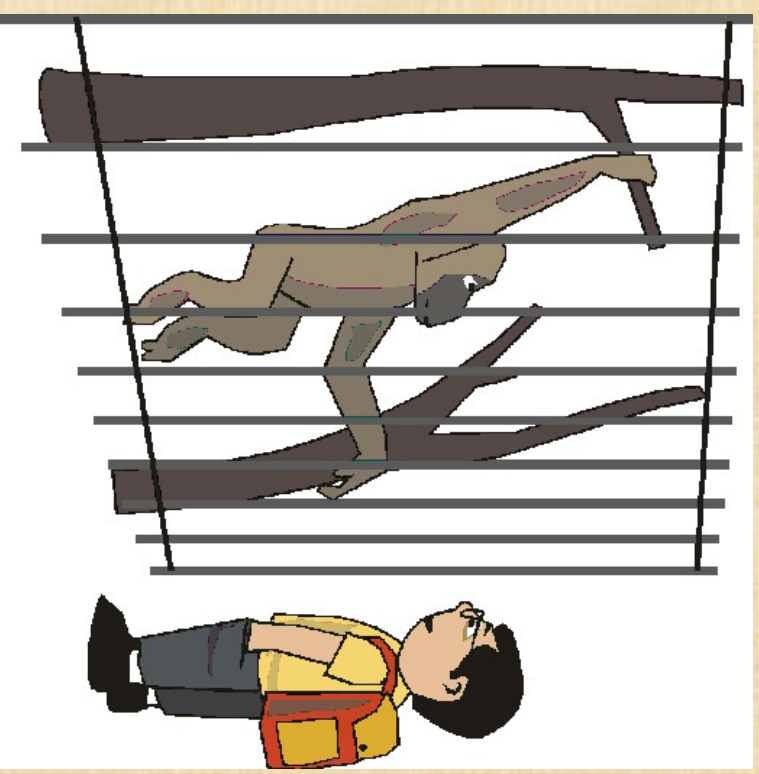

There are a lot of people trying to see the animals...

**I should not push or shove to get to the front.**

**I need to wait and take my turn getting to the front to see the animals.**

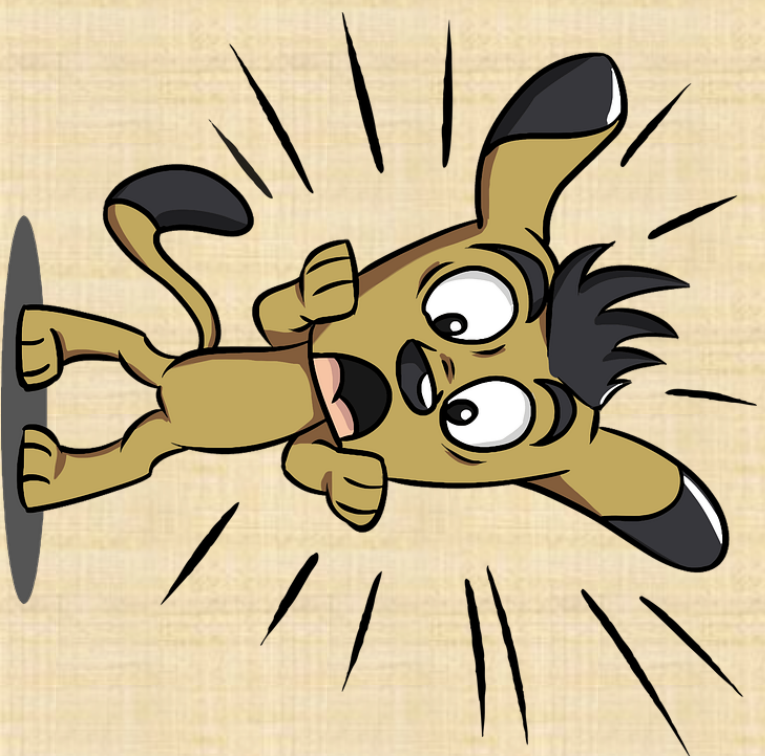

**If I cannot see the animals I can tell  
my Dad.**

**My Dad can help me see the animals.**

I might feel frustrated or excited,  
but I do **not scream or yell**  
because I might scare the animals!

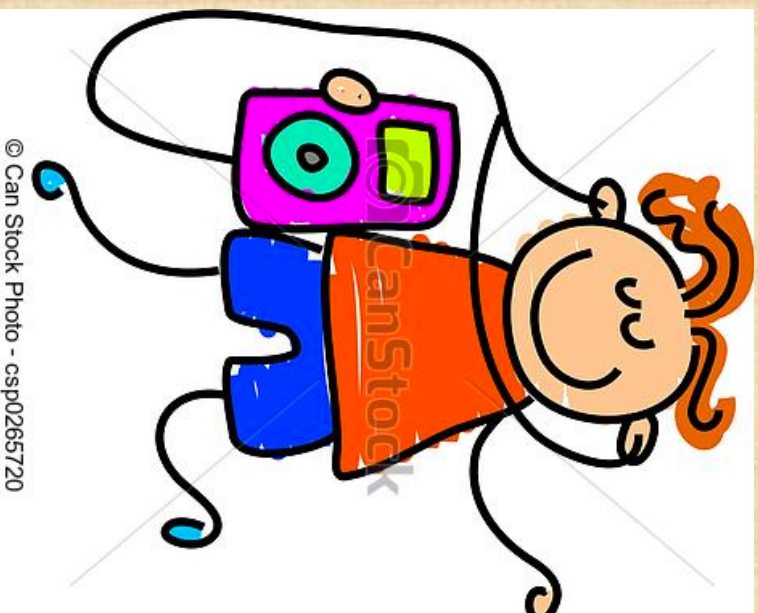

If I don't get to see my favorite animals because they are **sleeping** or **sick**, I can watch a video about them later.

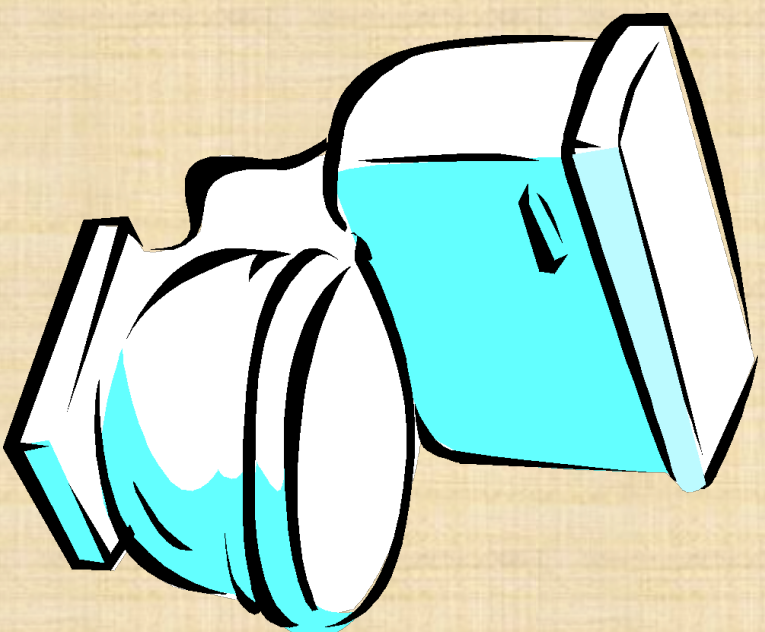

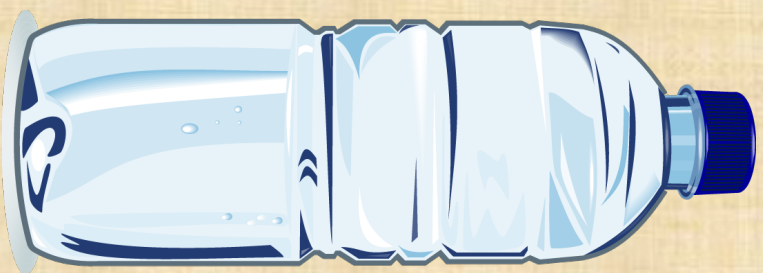

**If I feel upset I can listen to my  
favorite song.**

If I need to go to the **bathroom** I  
can let my parents know and they  
will take me.

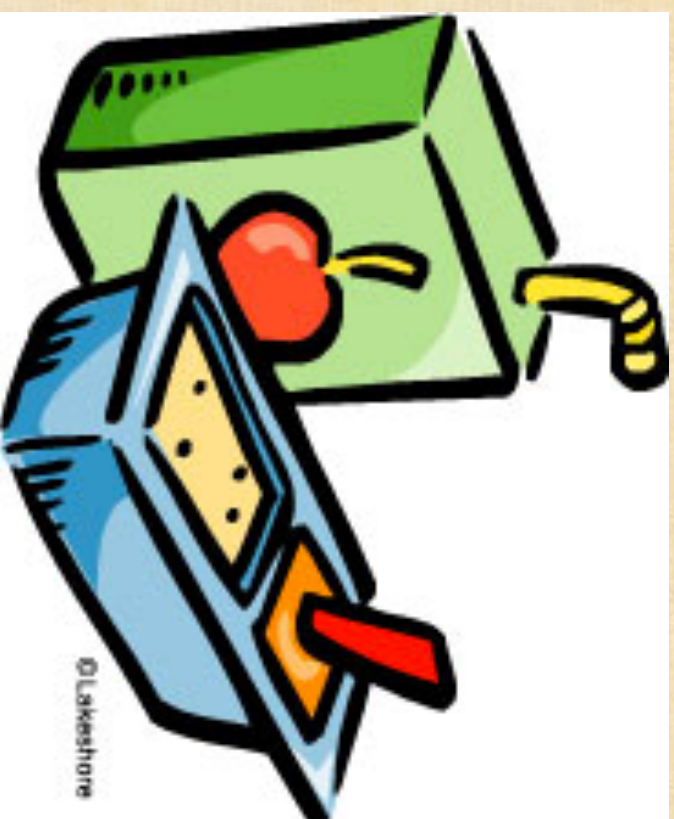

When I am \_\_\_\_\_ I can drink from  
my water bottle.

**If I get hungry I can have a snack!**

**I cannot pet or feed the animals  
because they are WILD.**

I do not lean over the railings or  
put my hand or fingers in the  
cages... **they might bite!**

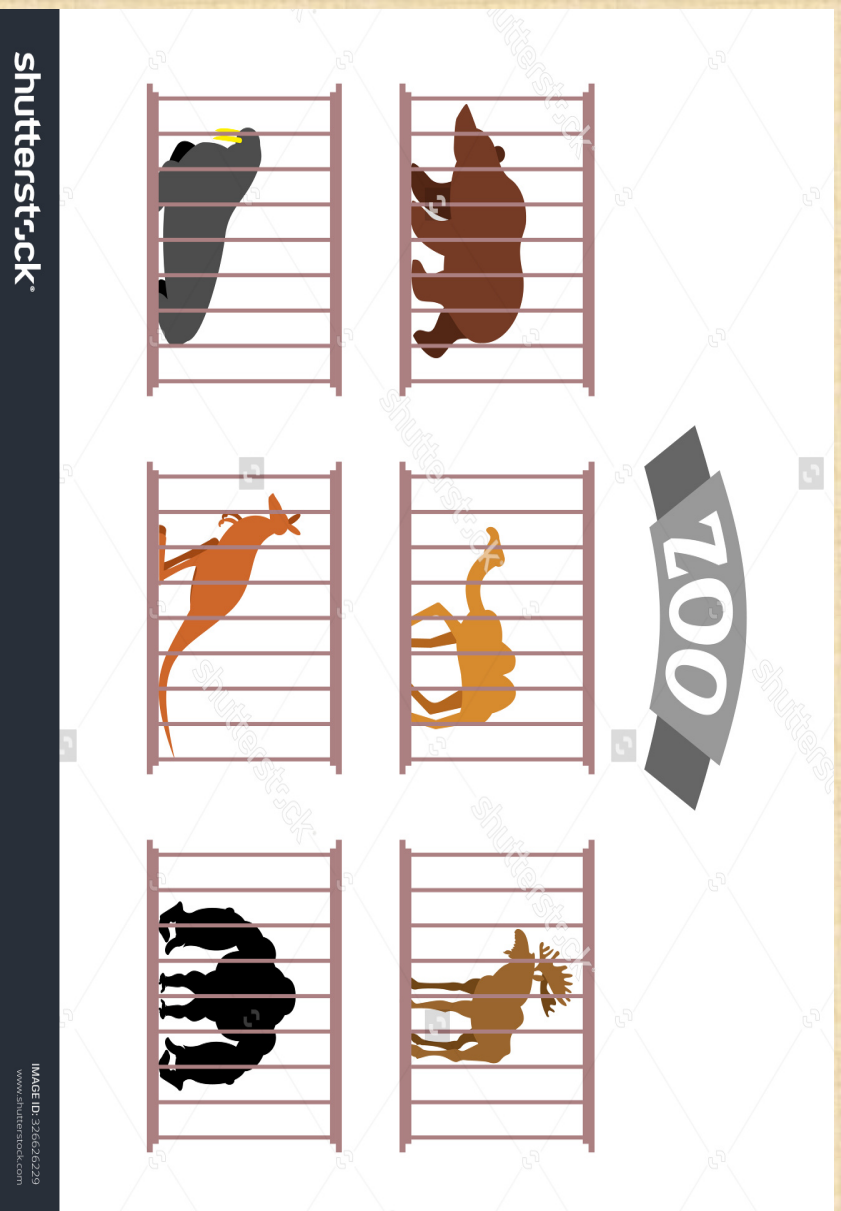

**I do not throw anything at the animals because I might hurt them.**

**I listen to the zookeeper if they are talking, just like my teacher.**

Lots of different animals live at the zoo and I get to learn all about them!

I love the zoo!
