

Waiting in line

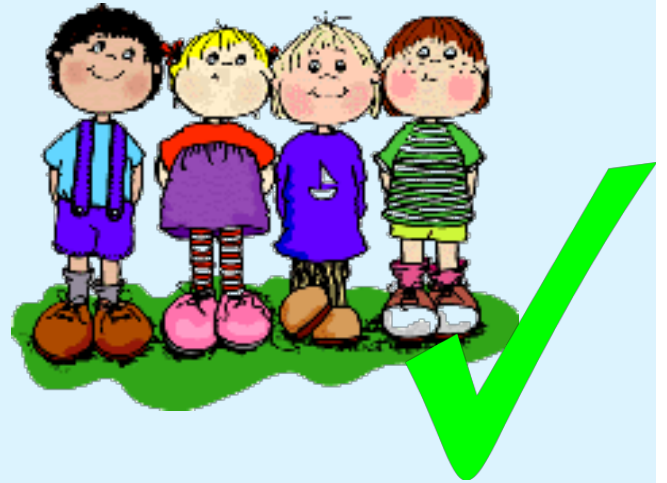

**My teacher
tells me when
it is time to
leave my
seat!**

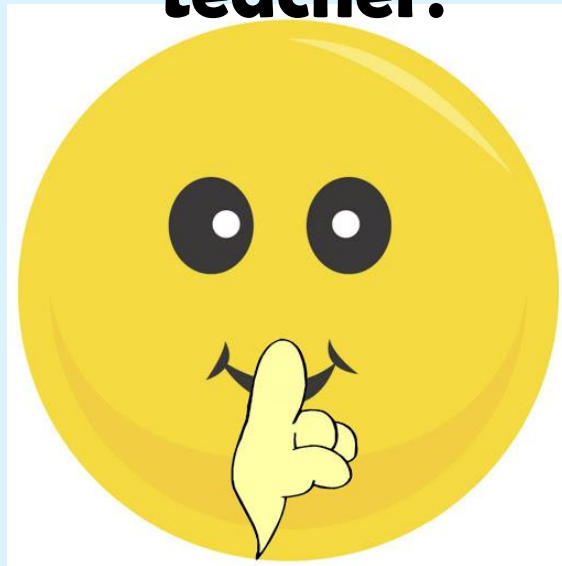

**I walk to the door.
I do not run!**

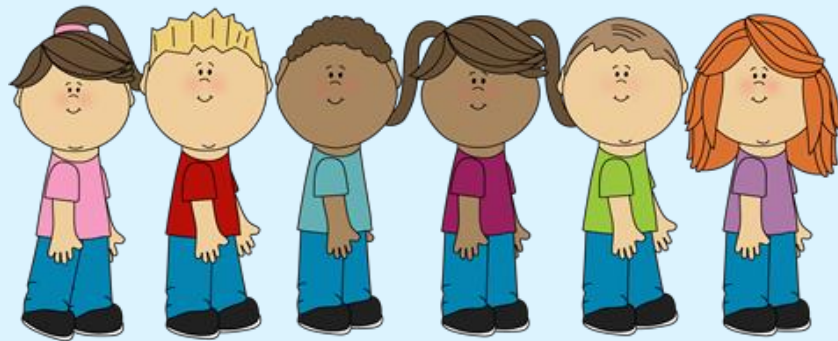

I remember to keep my hands to myself!

**I am quiet so I can hear my
teacher!**

I stay in my place!

**It is not nice to take
someone's place in line.**

**If someone tries to cut
me, I will nicely ask them
to stop.**

I follow the person in front of me when I leave my classroom!

**My teacher and friends
are very happy when I
follow these rules!**
