

# TODAY'S LEARNERS. TOMORROW'S HEALTHCARE LEADERS.

## Health Care Administration

For students entering Fall 2025 or later

The Health Care Administration major emphasizes coursework in public health, health care administration, business, health care policy, and marketing. This major prepares students for careers or post-graduate work in health care administration, patient services, public health, health care information technology, regulatory affairs, marketing/sales, and insurance related to the medical and pharmaceutical industries.

This form is a planning tool only - Consult your degree evaluation in Self Service to view how coursework meets degree requirements.
