

# Audit Form

Student Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

Term: \_\_\_\_\_

Course Name	CRN	Course #	Credit Hours

I realize I will **NOT** get law credit toward graduation for **auditing** a law course. I understand that in the MyDUSIS system, the credit value of a course is listed alongside course name. The credit value listed simply indicates the course catalog credit hours **NOT** the credits earned while auditing. ***A student must receive a letter grade or CR in order for the course to count toward graduation.***
