Some Like It Hot! HVAC Update

Campus buildings are on a central HVAC system which provides hot water/steam until mid-April when it is clear the temperatures won't drop into the 30s as they will this week. It's not like at home when you can switch back and forth. Once the changeover to air conditioning occurs there is no going back until the end of the season. Dressing in layers may be the best option if temperatures are predicted to be in the 80s or above before then.

Security Reminder

Remember that Opperman and Cartwright Halls are open to the public during posted library hours. Please do not leave laptops or other valuables unattended. Also, if the building is locked, do not open the door for someone you do not recognize. Public Safety reports that unauthorized individuals have been let into the building after hours. Do not hesitate to contact a staff member or call Public Safety at 515-271-2222 anytime you have concerns.

CALI down April 4-6 (8 a.m.-8 a.m.)

The CALI website will be unavailable beginning Saturday, April 4, 2026 at 8:00 AM ET continuing through no later than 8:00 AM ET on Monday, April 6, 2026, as critical system updates are made.

Academic Credit for Internships this summer

In response to student interest, Drake Law School will now offer academic credit for internships in summer 2026.

Students need to weigh a number of factors to determine the right path to their degree. Below find some initial tips and considerations. Be sure to discuss with your faculty advisor and the financial aid office to determine if a summer internship for credit is the right choice for you. Credit-bearing internships count toward the six credits of skills required for graduation.

What positions are available for credit?

- Government and non-profit organization positions that are supervised by an attorney.
- Can be paid or unpaid by your site.
- Check CDO's Symplicity website under Job Postings. Select Position Type- Field Placement for Academic Credit.
- Most positions range from 1-3 credit hours. Limited judicial clerk positions earn 6 credit hours. All positions require 45 hours of work for each 1 hour of academic credit.
- If you secured a position with a government office or non-profit that's not listed on Symplicity, check with Dean Battles about credit options.

Do I need a student practice license? – This is a separate question from academic credit!

- Will you be directly advising clients, appearing in court, or questioning witnesses in court? Does your site supervisor say you need a student practice license? Then you might need one!
- The [Zero-Credit Summer Internship](#) enables you to receive a student practice license without tuition costs. You must participate in the online learning and practice seminar to comply with licensure requirements.
- Internships for credit also complete the online learning and practice seminar for both credit supervision and licensure requirements.

What about financial aid?

- Federal financial aid will not be available in many situations. Federal aid for summer requires enrollment for a minimum of 5 credits. Most internship positions on their own will not qualify.
- Individual Research projects may be 1-3 credit hours; 2-3 credit projects can qualify for Advanced Writing credit. A student must find a faculty member to agree to supervise their research and writing. [Find the Individual Research form here.](#)
- Interdisciplinary courses are upper division or graduate-level courses in other programs within Drake. The course must relate to the student's educational goals. A maximum of six interdisciplinary credits may count toward a student's J.D. [Find the Interdisciplinary Credit form here.](#)
- Summer tuition is billed per credit hour at the law school rate. [Find tuition and fee rates here.](#)
- Summer financial aid can impact the calculation for your fall and spring semester aid. Please contact the University Financial Aid Office at financialaid@drake.edu for your particular loan impact. Drake Law School scholarships are not available for summer internships.

How do I register?

- Once you've accepted a position, contact Betty Straub, betty.straub@drake.edu, with documentation of your position.
- Positions must be secured by May 15th.

As a reminder, some of these roles could qualify for [public service](#) or [rural access to justice](#) summer stipends. Funds are limited, so apply today. Contact the CDO for more information.
