

Energy Law Round-up: Perspectives on the Current State of Energy Law and Policy in Iowa

Oct. 13, 2017

8-9 a.m. (Registration begins at 7:30 a.m.)

Neal & Bea Smith Law Center

Approved for 1.0 CLE hour by the State of Iowa
(Activity Number: 269016)

Registration:

Fee: \$20 per person (breakfast included)

Register for both the Energy Law Round-up CLE (Oct. 13) and the Environmental Law Round-up CLE (Nov. 3) for \$30 total.

To register online, visit www.drake.edu/law/cle.

Overview:

This 1-hour CLE gives an overview of Iowa's current energy and utility law and policies, some of which have helped position the state as one of the country's leaders in renewable energy.

Energy practitioners from three separate disciplines will provide short presentations on the current state of Iowa energy law. They will be available for questions and discussion.

Speakers:

- Jennifer Easler, Attorney, Office of Consumer Advocate
- Amanda James, Attorney, Sullivan & Ward, P.C.
- Ben Clark, Senior Attorney, MidAmerican Energy Company
