

Magazine Media Minor

Beginning Fall 2017

School of Journalism and Mass Communication

The Magazine Media Minor provides students with an overview of how to tell meaningful stories, deliver reliable information and communicate effectively with an audience. You'll gain experience in basic magazine writing and editing. You'll also have the opportunity to select from several courses for magazine journalists including options such as web page design, video production, and feature writing. The minor includes 21 hours of SJMC coursework.
