Welcome to Starfish ®

Starfish provides you with a central location to connect to the people and services that can help you finish what you start – all accessible from the side navigation menu of your Starfish Home page.

To get to Starfish, go to the MyDrake portal and find the Starfish link under Campus Resources.

2. If you have already accessed an application using Single Sign-On and entered your Drake credentials, you will be taken directly to Starfish (no credential entry and login required).

Connect to people and services that can help you

The My Success Network and Courses channels display the people and services that are available to help you succeed. Here you can find key contact information as well as links to student service web sites and online appointment scheduling.

My Success Network

Select My Success Network from the navigation menu to display your personalized network. This channel lists the people and resources that are available to assist you. For each person or service listed,
you will find contact information, supporting websites, and, if online scheduling is enabled, a link to Schedule Appointment.

The Services that are most relevant to you are displayed first. Select Show Other Services at the bottom of the page to see additional services.

### Make an Appointment

1. From the My Success Network, click the triangle beside the name of the person you want to schedule an appointment with, and then select Schedule. If the person has not set up online scheduling, the schedule link will not appear and you can instead send an email to find a time to meet.
