*Abbreviations and definitions for the Drake University Areas of Inquiry (AOI) can be found in the Drake General Education Requirements section on the reverse side.

Drake General Education Requirements

The general education curriculum at Drake is called the Drake Curriculum. In order to complete the Drake Curriculum, students must complete one course in each of the following Areas of Inquiry (AOI). Most of these AOIs can be transferred in from SWCC. More information about the AOIs can be found at <http://www.drake.edu/dc/areasofinquiry/>. **Students completing an Associate degree from an Iowa Community College are not required to complete the Areas of Inquiry at Drake.**

- ARTS = Artistic Experience
- CITZ = Engaged Citizen
- CRIT = Critical Thinking
- GLOB = Global and Cultural Understanding (*Health Sci. curriculum*)
- HIST = Historical Foundations (2 courses must be taken)
- INFO = Information Literacy (*Health Sci. curriculum*)
- LIFE/PHSC = Scientific Literacy (2 courses must be taken)
- QUANT = Quantitative Literacy
- VE = Values and Ethics (*Health Sci. curriculum*)
- WRIT = Written Communication

Total at Drake		61
Total credits required for Bachelor of Science in Health Sciences Degree		124

How can I ensure my credits will transfer?

Work with a Drake University Admission Counselor to find out how your credits will transfer, while keeping the following in mind:

- A maximum of 94 credits can be transferred to Drake University, with a maximum of 66 credits from a regionally accredited 2-year institution, like SWCC.
- A maximum of 4 credits of career/vocational tech. credits will transfer.
- A grade of C- or higher is required for all transfer coursework.
- The last 30 credit hours must be completed at Drake University.

What other requirements should I be aware of to complete my degree?

- Students completing the Bachelor of Science in Health Sciences degree at Drake are only required to complete the Drake Curriculum Areas of Inquiry (AOIs) if they are *not* completing an Associate degree from an Iowa Community College. Some of these courses are completed through the Health Sciences program and some may be transferred to Drake.
- In order to earn a degree, students must earn a cumulative GPA of 2.0 or higher on all coursework attempted at Drake.

What else?

- This pathway maps courses from SWCC. If you have attended other institutions in addition to SWCC, please alert your Drake University Admission Counselor.
- This pathway is a sample of an individualized plan. If you have additional questions about transferring to Drake in the Bachelor of Science in Health Sciences degree, please contact the College of Pharmacy and Health Sciences at dupharm@drake.edu or 515-271-3018.
