I understand that falsification of information will result in automatic revocation of parking privileges in University owned parking lots. I agree to follow Drake’s parking regulations, and to park in the assigned lots allowed by my parking pass.

Due to limited pass availability, **lost permits are not replaced free of charge** – you must purchase a new pass if you lose your permit. **If you only need to park for one semester**, you may return your permit to the SSC and receive a refund for the second semester.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Please return this form with payment to the Student Services Center to pick up your parking permit.
