

Des Moines native Bret Sikkink is an instructional technologist with Drake Online and Continuing Education. He studied economics at Creighton University and earned a Master's degree in education from Grand Canyon University. After teaching students with autism for four years in Phoenix, his family moved to Mexico City where he taught economics and philosophy classes for six years before moving back to Des Moines. Bret also teaches Microeconomics at Johns Hopkins University's Center for Talented Youth and is in the doctoral program for educational research at Drake. He has completed every daily New York Times crossword puzzle since his senior year of college.
