We are in the process of reviewing the information you provided on your 2020-2021 Free Application for Federal Student Aid (FAFSA). As part of that review, we have noted that you left this area blank **OR** there is a need for a potential correction. At this time we would like you to verify, **as of the time you completed the FAFSA**, both the number of people in your household, as well as who will be attending college in the 2020-2021 academic year. If more space is required please use the back of this form.

Please complete the chart below, listing the people in **your parents' household**, include:

- **Yourself** , even if you do not live with your parents,
- **Your parents**,
- **Your parents' other children**, if:
 - (a) your parents will provide more than half of their support from July 1, 2020 through June 30, 2021, or
 - (b) the children could answer "No" to every question in Step Three of the FAFSA, and
- **Other people** if they **now live** with your parents and your parents provide more than half of their support and your parents **will continue to provide** more than half of their support from July 1, 2020 through June 30, 2021.
- Please list the college/university of the household members, *excluding your parents*, only if they will attend at least half time in 2020-2021, a program that leads to a college degree or certificate. Always count yourself as a college student.
