OFFICE OF STUDENT FINANCIAL PLANNING

Independent

Your FAFSA application was selected by the Federal processors for "Verification", a review comparing information from your FAFSA with information from financial documents such as federal tax return transcripts and W-2 forms. Federal law and regulation (34CFR, Part 668) require Drake University to request this information and review it before disbursing Federal financial aid. If there are differences between your FAFSA information and your financial documents, either you or Drake may need to make corrections electronically or by correcting your Student Aid Report (SAR).

Read all instructions, complete this form, sign and date. Answer each question as it applies to the student and spouse (if applicable) whose information is reported on the FAFSA. **Submit this completed worksheet and any other required documents.** Put your name and Drake ID# on everything you submit. **If more space is needed for any section, provide a separate page with the student's name and Drake ID# on the top.**
