

Participants in Drake's Health Plan will have access to Doctor on Demand basic primary and urgent care medical services **24 hours a day, 7 days a week, 365 days a year** effective January 1, 2019.

You'll love the convenience

Virtual (face-to-face) visits with Board-certified Doctors may be accessed via live video from your smartphone, tablet or computer. Doctor on Demand physicians can treat most common medical conditions and prescribe medication if needed*.

Obtain treatment for:

- Cold and flu
- Bronchitis and sinus infections
- Urinary tract infections
- Sore throats
- Allergies
- Fever
- Headache
- Pink eye

Payment

A \$25 co-pay will be assessed for Doctor on Demand primary care virtual visits.

Getting started is easy

- Download the Doctor on Demand app or visit DoctorOnDemand.com.
- Have your Wellmark member ID card ready. You'll be asked to enter your full Wellmark ID number, including the three-character prefix.
- Create an account or sign in.

Go to DoctorOnDemand.com and watch a virtual visit in action.

*Doctor On Demand physicians do not prescribe Drug Enforcement Administration-controlled substances, and may elect not to treat or prescribe other medications based on what is clinically appropriate.
