

SUSTAINABLE DEVELOPMENT IN SUB SAHARAN AFRICA

THREE-WEEK, SIX-CREDIT, MAY 2021 UGANDA TRAVEL SEMINAR

- **Using the United Nations Development goals as a framework, you will reflect on the challenges faced by Ugandans as they become increasingly integrated into a global world.**
- **Immerse in amazing experiences with fascinating interactions with business, academic, and government leaders, village elders and more!**
- **Join with Ugandan university students for exciting once-in-a-lifetime events!**
- **Consulting with the course instructors, design your own research or service project**
- **Working with your advisor, the course may meet Engaged Citizen or Global AOIs, Honors credit or other elective course possibilities**
