Dear Band Director:

Adventureland would like to congratulate you on your participation in the 2020 Festival of Bands. The Festival has become a tradition, and the quality of bands is always exceptional. Adventureland also wants to extend our thanks for your participation, and an invitation for you to enjoy Adventureland Park during your visit to the Festival.

### **Tickets available on Consignment**

Everyone entering Adventureland Park must have a ticket regardless of the reason for entering. To make ticket ordering as easy as possible we make tickets available on **consignment** to participating bands until **April 5th**. That means you can order an ample supply of tickets for your entire group, but you will only need to pay for the tickets that are used. We will email you an invoice after the event, please remit payment within 10 days. Unused tickets should be destroyed. We have a special admission price of **\$28.00 per ticket** for participating band members, their families, and others accompanying the band **if your order is received by April 5th**. (A savings of \$20.00 off the regular admission price.) We will also provide you with one free park admission for each 20 tickets purchased. Tickets are not available at this price at the gate or for orders received after April 5. If possible, you may want to convey this information to parents or others that may plan on attending with the band.

Orders received **after April 5th**, or tickets purchased upon arrival by participating band directors will receive the rate of **\$30.00** per ticket. (A savings of \$18.00 off the regular admission price.) This price is for tickets purchased by participating band directors only and is not available to parents, friends or others that may wish purchase tickets on their own.
