Instrumental BME checksheet (Winds & Percussion Track)

* Enrollment in 4 semesters of Piano Laboratory (MUS 006, 007, 049, and 050) fulfills the Applied Minor requirement. Students with piano proficiency may test out of one or more semesters of Piano Lab, but must enroll instead in private piano lessons (MUS 170) or lessons on a second instrument, depending on ability.

[†] Students must complete a total of five (5) methods courses over the course of their degree program.
