**\*To participate in Sophomore Medical Single Room Sign-Up students must:**

- Have medical documentation on file with Student Disability Services (SDS) in the Office of Access and Success supporting their need for medical single room placement.
- Please note there are a limited number of single rooms available, and we cannot guarantee placement for all students requesting a single room housing request.
- A student receives an email from SDS/Housing confirming medical documentation is on file supporting their need for medical single room placement for the Term/Academic year for which student is requesting housing.
- Student forwards confirmation email from SDS/Housing (that indicates medical documentation is on file with Drake University supporting their request for medical single room placement for that term/academic year for which they are requesting housing) to [housing@drake.edu](mailto:housing@drake.edu) by February 21, 2025 so that online access for the online Medical Single Room Process can be created.
- Documentation/emails received at email [housing@drake.edu](mailto:housing@drake.edu) after February 21, 2025 may still be considered for single room placement based on single room availability but individuals may not be able to participate in the medical single room process via the online sign up process that occurs on February 25, 2025.

\*\* For the purpose of housing sign up, The Office of Residence Life defines Sophomore as: current first year students who have previously lived on campus in a Drake University residence hall and/or students who are in their second year beyond high school graduation.

**\*\*\*Housing Registration/Lottery Time slot Does Not apply during single room sign up, first come, first serve order on designated dates and times\*\*\***

**Single rooms cost an additional \$1676.00 per semester above the cost of a double room.**

**NOTE:** Non-first-year students will not be able to select a single room in the first-year halls. If you are currently in a first-year-hall single, and want a single for next year, and do not require a medical single, sign-up at the Sophomore single room sign-up time.

**SINGLE ROOM WAIT LISTS**

After Single Room sign-up is completed on February 25 & 27 for sophomores or March 28 for students beyond two years from high school graduation, or when no more single rooms are available, students may sign up on the “**single room wait list**” by emailing [housing@drake.edu](mailto:housing@drake.edu) and providing your information.

These lists are in effect for all the “Residence Hall 2025-2026”. (All current wait lists expire.) If you are assigned to a single room, your name will be removed from the wait lists unless you request otherwise. **Students who are required to live on campus who request to be on the single room waitlist – you will still need to participate in sign up for a room with a roommate or submit your contract roommate less for our office to match you.**

**ROOMMATES**

All students **must sign-up with a roommate**, if wanting a double room – you and one roommate, if wanting a triple room – you and two roommates, and if wanting a quad room - you and three roommates. The number of residents must match the total occupancy of the room in order to sign up.

**There are 15 triple rooms available, first come first serve, so please have alternate plans in place when triple rooms have filled up.**

**A Limited number of Double Rooms are located in Herriott Hall.**

Sign-up occurs during the sign-up period of the roommate with the earliest housing registration/lottery time slot.

All roommate groups will need to be verified, **AFTER** all roommates have joined the roommate group!

If you verify the roommate group, prior to everyone joining you will need to email [housing@drake.edu](mailto:housing@drake.edu) to request that your roommate group be unverified, until all roommates have joined the roommate group.

Students who have fulfilled the two year live on requirement may request housing but will need to wait until all students who are required to live on campus have completed Housing Sign Up.

If you wish to reside with a student who is required to live on campus, you will all need to wait until after the official Housing Sign up date to be assigned housing at that time. Email [housing@drake.edu](mailto:housing@drake.edu) with any questions.

In an effort to support and promote our first-year experience program, current residents will not be allowed to request entering first-year students as roommates. You may request a **transfer student** who is within two years of high school graduation, as your roommate; however, the request must be mutual. If the new transfer student has not submitted their deposit and housing contract online to ORL as of 4:30 pm February 21, 2025, you will need to find a new roommate or you will be consolidated with another roommate less student.

If you would like to live with a new **international student**, please e-mail [housing@drake.edu](mailto:housing@drake.edu) in the Office of Residence Life by February 28, 2025, by 4:30pm. Information will be gathered by ORL so the best possible match can be made. You will reserve a room for you and your international roommate during regular room sign-up.

**If you are consolidated you may be reassigned to another residence hall room.** You will be notified of your new roommate after the consolidation has occurred.

---

**Gender-Inclusive Housing**

Returning students have the option to request Gender-Inclusive Housing via the housing application. While filling out your housing application, you may select that you are interested in Gender-Inclusive Housing.

**DO NOT** create or join a group with students who are *not* interested in Gender-Inclusive Housing.

Individuals who have a completed housing application and request Gender-Inclusive Housing prior to February 20, 2025, via their housing application, will be placed onto a floor or partial floor community with other students who have also requested Gender-Inclusive Housing.

The Office of Residence Life will notify individuals of their housing assignment.

---

If you plan to study abroad for Spring Semester 2026, your contract is binding for Fall Semester 2025 only, with proper notification in November 2025 to [housing@drake.edu](mailto:housing@drake.edu).

If you want a student who is currently abroad as your roommate, please complete your Residence Hall Application and create a roommate group with the individual currently abroad after they have completed their Residence Hall application by February 28, 2025.
