Summer 2025 Tuition Refund Schedule

Summer 2025 Add, Drop, and Refund Deadlines

The percent of tuition refunded is based on the date the class was dropped, the session of the course, and the student level/enrollment status. Fees are not refundable unless the course is dropped within the 100% refund window. The information below does not account for any financial aid adjustments. Before dropping any class students should contact the Financial Aid Office to discuss the possible impact dropping a class could have on their financial aid award.

You can read more about financial aid adjustments for complete withdrawals [here](#). Academic policies and procedures related to adding and dropping classes can be found [here](#).

The tuition refund rules below apply to all students enrolled in the summer except full time MAT, full time OTD, and all Bright College students. If your session is not listed below and you would like to know the impact of dropping a class in that session please reach out to Student Accounts at stuacct@drake.edu.

To look up the specific session you are enrolled in follow the steps found [here](#).
