

BIG BROTHERS BIG SISTERS AT DRAKE

Big Brothers Big Sisters @ Drake connects the Drake University community with the mission and activities of Big Brothers Big Sisters of Central Iowa. While not a part of the actual program itself, the student organization helps recruit students to become a part of their community-based and school based program and supports fundraising efforts. Members mentor students who are struggling academically, socially, or just need a friend they can talk to, one-on-one for 4 hours a month.
