HILLEL

Our Mission

We want to create a welcoming community for Jews on campus of all backgrounds to come together, as well as inform non-Jews about what being Jewish means.

What do we do?

Drake Hillel hosts events for the major Jewish holidays that are open to everyone to celebrate and learn. We also host multiple social events throughout the year to provide opportunities for Jews on campus to connect and have fun. We have connectinos with local synogoues in order to be more involved in the community
