

Drake Alpha Phi

Alpha Phi is dedicated to helping members grow into the best version of themselves. Alpha Phi prides itself on its dedication to making Drake's campus and the Des Moines community a better place through community service, leadership, philanthropic events, and academic excellence.

Drake Alpha Phi devotes time and effort to our philanthropy: the Alpha Phi Foundation, which is dedicated to improving women's heart health. Each fall, we host the Red Dress Gala, which raises thousands of dollars for the Alpha Phi Foundation. In the Spring, Alpha Phi hosts Go Red Week, which promotes heart health on Drake's campus, along with Mac and Phi and Aphi Games, which raise funds for the Alpha Phi Foundation.
