## Interested in Completing a Residency?

ASHP is a nationally recognized organization designed to equip future and current clinical pharmacists with all the skills needed to accomplish their clinical pharmacy goals. This is the perfect organization to be involved in if you are interested in a residency and/or clinical pharmacy occupation.

A pharmacist's mission is to help people achieve optimal health outcomes. ASHP helps its members achieve this mission by advocating and supporting the professional practice of pharmacists in hospitals, health systems, ambulatory care clinics, and other settings spanning the full spectrum of medication use. ASHP serves its members as their collective voice on issues related to medication use and public health.
