

Drake Chess Club

Our goal is to provide a fun and friendly environment for people of ANY skill level that want to learn the game, improve their skills, and play against other chess enthusiasts here at Drake!

Fridays
from 4-6pm
Aliber 009

Interested? Feel free to contact our president, Matthew Nickel, at matthew.nickel@drake.edu

What we do

HERE'S WHAT A MEETING MIGHT LOOK LIKE:

- Solve and discuss multiple tactics and puzzles
- Play rounds of blitz or rapid games
- Either switch from normal chess to a variant such as bughouse or hand-and-brain OR
- Have an informative discussion on a topic geared towards education and improvement

This structure is a general outline and can vary based on the people that attend.

Again, we are open to ALL SKILL LEVELS! It's absolutely no problem if you want to learn how to play as an absolute beginner - we would be more than thrilled to welcome you and teach you everything we know!
