**NOTE:**

- 1.) This degree is **only** available to students in conjunction with either the BA or a BFA degree from the Department of Theatre Arts.
- 2.) If Directing II is not offered, students may substitute an additional course in English or one of the other disciplines listed above. Students may also substitute an additional Project in Theatre related specifically to directing or dramaturgy.
- 3.) No other work may be substituted for the Directing I requirement. This includes any courses completed at other colleges or universities as well as NTI. THEA 103 must be completed on campus at Drake.
- 4.) Unless specified above, any other substitutions or other alterations to these requirements can only be made with prior approval from your theatre advisor.
