B.F.A. Design and Technology

- Prepare a portfolio for entrance into the program
- The portfolio can include any of the following: Drawings, sketches, paintings, stage management paperwork, photographs, programs, or posters that the student has designed.
- As with a performance audition, our preference would be to meet with you in person during Drake Theatre Audition Days.
- An on-site interview is best so that you can present your work. If that is not possible, then a COPY of your portfolio should be mailed to the department and a phone interview will be scheduled. A portfolio on a CD-ROM or DVD is acceptable.
