EDUCATION

Doctor of Philosophy (Information Technology), University of Nebraska at Omaha, College of Information Science and Technology, Omaha, NE, 2009.

Master of Science (E-Commerce), Creighton University, Heider College of Business, Omaha, NE, 2004.

Bachelor of Arts (Computer Information Systems; Marketing), Simpson College, Indianola, IA, 2003.

ACADEMIC APPOINTMENTS

- 2025-present Drake University, Dean
Larry and Kathleen Zimpleman College of Business
Dean of an AACSB accredited business school with eleven undergraduate programs, three graduate programs, professional and executive education, and other business centers; provides leadership, strategic direction, and budget oversight as well as leads fundraising initiatives.
- 2023-present Drake University, Professor of Information Systems
Larry and Kathleen Zimpleman College of Business
- 2021-present Drake University, Aliber Distinguished Professorship
Larry and Kathleen Zimpleman College of Business
- 2023-2025 Drake University, Associate Dean of Academic Affairs
Larry and Kathleen Zimpleman College of Business
Oversaw college faculty and curriculum development; led efforts to streamline course offerings, reduce redundancies, and optimize resources achieving substantial cost savings; worked with faculty to update college structure and policies, aligning with changing AACSB accreditation requirements and reinforcing college commitment to maintaining high academic standards and continuous improvement; developed a new faculty onboarding process, ensuring preparation of incoming faculty to meet evolving curriculum demands.
- 2019-2023 Drake University, Co-Director
Data Analytics Program
Co-led a distinctive cross-school academic program with partnership between the Zimpleman College of Business and the College of Arts and Sciences; oversaw faculty coordination, curricular design, accreditation processes, and strategic partnerships with advisory boards; drove fundraising efforts for program development and student scholarships; advanced global program innovations and initiatives; applied collaborative leadership, resource management, and strategic planning skills.
- 2019-2023 Drake University, Department Chair
Information Management and Business Analytics, Zimpleman College of Business
Provided strategic leadership and oversight for faculty management, development, and recruitment; led student recruitment initiatives and enhanced program visibility through

targeted marketing and promotion; directed undergraduate and graduate curriculum development and innovation; coordinated assessment and accreditation processes to ensure academic excellence and compliance; managed other department initiatives.

- Fall 2019 Drake University, Interim Department Chair
School of Actuarial Science and Risk Management, Zimpleman College of Business
Led and managed faculty, curricula, recruitment, accreditation efforts, board relations, and other school initiatives.

- 2015-2023 Drake University, Associate Professor
Information Management and Business Analytics, Zimpleman College of Business

- 2009-2015 Appalachian State University, Assistant Professor (promotion/tenure granted April 2015)
Computer Information Systems, John A. Walker College of Business

- 2005-2009 University of Nebraska at Omaha, Graduate Research and Teaching Assistant
Information Systems and Quantitative Analysis, College of Information Science and Technology

Academic Presentations and Panels

104. “MIS Deans’ Panel,” panelist with M. Mandwiwalla, S. Sarker, G.J. de Vreede, R. Hadidi B. Pahtak, and J. Ulmer, 21st Annual Midwest United States Association for Information Systems Conference, Ohio University, Athens, OH, May 21-22, 2026.
105. “Driving Student Success: Effective Initiatives for Engaging a Diverse, Digital Generation,” panelist with J. Caldwell, P. Milner, and S. Toney, 2025 Undergraduate Deans Conference, University of Texas at Dallas, Dallas, TX, March 14, 2025.
106. “Midcareer pathways,” panelist with D. Khazanchi and U. Raja at the 30th Americas Conference on Information Systems, Salt Lake City, Utah, August 15-17, 2024.
107. “Remote patient monitoring: Implications for Information Systems researchers,” panelist with M. Kolotylo-Kulkarni, H. Zheng, R. Bradley, and B. Lucia at the 19th Annual Midwest United States Association for Information Systems Conference, Peoria, Illinois, May 16-17, 2024.
108. “Lessons from global virtual learning,” presented at Global Citizen Forum Changemaker Exchange, Drake University, Des Moines, IA, March 3, 2022.
109. “Metaverse Panel: The development of 3D virtual worlds,” panelist with H. Treiblmaier, M. Themistocleous, and I. Pogany at The Blockchain and Cryptocurrency Summit, January 26-28, 2022.

110. "IT project management scholars panel," panelist with D. Khazanchi, A. Gemino, and J. Lee at the 21st preICIS International Research Workshop on IT Project Management (IRWITPM), Austin, Texas, December 11, 2021.
111. "Using technology for intercultural communication" presented at the Statewide Teaching & Learning Conference and DMACC Summer Institute, Des Moines, Iowa, July 8, 2019.
112. "Planning ahead for tenure: Managing your teaching, research, and service" panelist with R. Sharda and X. Ma at the 15th Annual Big XII Plus MIS Research Symposium, Omaha, Nebraska, April 8, 2017.
113. "CLAC at Drake: An evolutionary process" panelist with M. Pinheiro-Cadd, M. Clapham, T. Knepper, M. McCarthy, and D. Pisarski at the Conference of Cultures and Languages Across the Curriculum (CLAC) Consortium, Des Moines, Iowa, October 22, 2016.
114. "Using technology for intercultural communication" presented at the Conference of Cultures and Languages Across the Curriculum (CLAC) Consortium, Des Moines, Iowa, October 21, 2016.
115. "Pathways to global citizenship" panelist with D. Skidmore, T. Westbrook, D. Pisarski, P. Mahajan, J. McMahon, and H. Clark at the Drake Learning Symposium: Inclusive Excellence, Drake University, Des Moines, Iowa, August 19, 2016.
116. "Technology tools for global teaching and learning" presented at the Technology for Teaching Fair: Enhancing Student Learning, Appalachian State University, Boone, North Carolina, March 20, 2015.
117. "Teaching and learning in interdisciplinary virtual teams" presented at the Appalachian's Global Symposium, Boone, North Carolina, November 18, 2013
118. "Adding global content via technology" panelist with P. Brewer and P. Wallace at Appalachian's 1st Annual Global Symposium, Boone, North Carolina, November 16, 2012.
119. "Moving first life to Second Life: An exploratory study of virtual world projects," presented with D. Owens at the Centennial Celebration of Student Research and Creative Activity, University of Nebraska at Omaha, Omaha, NE, March 24-26, 2009.
120. "A theory of the effects of interventions on patterns of technology choice in virtual teams," presented at the 6th Annual Big XII Plus MIS Research Symposium, Lubbock, Texas, April 4-6, 2008.
121. "Technology choice in virtual teams: The role of interventions in improving patterns of technology choice in virtual teams" presented at the University of Nebraska IT Day (NU Tech Day), Lincoln, Nebraska, March 19, 2008.
122. "Transforming education in information systems and technology," panelist with I. Ziguers, R. Soles, B. Mennecke, R. McNeil, and D. Khazanchi at the 2nd Annual Midwest United States Association for Information Systems Conference, Springfield, Illinois, May 18-19, 2007.
123. "A comparison and classification of collaboration tools and technologies," presented at the 5th Annual Big XII Plus MIS Research Symposium, Lawrence, Kansas, March 31-April 1, 2007.
124. "Providing insight into ways development is brought about through information and communication technologies" presented at the University of Nebraska IT Day (NU Tech Day), Omaha, Nebraska, March 14, 2007.

Research Grants Awarded

\$15,000.00	“Preparing students for writing in the age of AI,” Drake University, Zimpleman Research Grant, March 2025.
\$38,300.00	“MRI: Acquisition of a gaze-contingent eye-tracking system,” National Science Foundation (NSF) Grant (with M. Matsukura (PI), A. Bryant, H. Henderson, B. Vander Naald, L. Solsma, and T. Vaughan), June 2019.
\$7,500.00	“Information technology focused executive education,” Drake University, College of Business and Public Administration, March 2018.
\$7,500.00	“Small business website development,” Drake University, College of Business and Public Administration, March 2017.
\$5,650.00	“Summer workshop on data analytics curriculum development,” Drake University (with D. Alexander, M. Laugerman, E. Manley, T. Strader, and T. Urness), March 2016.

\$7,500.00	“Virtual team collaboration,” Drake University, College of Business and Public Administration, March 2016.
\$3,700.00	Summer Research Grant, Appalachian State University, John A. Walker College of Business, March 2015.
\$500.00	“Testing a repeatable collaborative process for strategic planning,” Appalachian State University, Walker College of Business Deans Club Grant, February 2015.
\$4,600.00	Summer Research Grant, Appalachian State University, John A. Walker College of Business, March 2014.
\$500.00	“A collaborative process for computer information systems department strategic planning,” Appalachian State University, Walker College of Business Deans Club Grant, October 2013.
\$5,000.00	Summer Research Grant, Appalachian State University, John A. Walker College of Business, March 2010.
\$5,000.00	Summer Research Grant, Appalachian State University, John A. Walker College of Business, July 2009.
\$500.00	“Teaching and learning virtual collaboration across cultures and technologies,” University of Nebraska at Omaha Institute for Collaboration Science Grant, August 2008.
\$2,400.00	“Modules for teaching and learning virtual collaboration,” University of Nebraska at Omaha Institute for Collaboration Science Summer Seed Grant (with I. Zigurs), June 2008.
\$145.00	“An approach to improving creativity and satisfaction in group convergence using a group support system,” University of Nebraska at Omaha Institute for Collaboration Science Grant, May 2008.
\$500.00	“The role of interventions in improving patterns of technology choice in virtual teams,” University of Nebraska at Omaha University Committee on Research and Creative Activity (UCRCA) Grant, April 2008.
\$500.00	“Designing thinkLets for convergence,” University of Nebraska at Omaha Institute for Collaboration Science Grant, August 2007.
\$1,000.00	“Teaching and learning virtual collaboration across cultures and technologies,” University of Nebraska at Omaha Institute for Collaboration Science Summer Seed Grant (with I. Zigurs, D. Khazanchi, and B. Munkvold), June 2007.
\$500.00	“A study of group convergence: Exploring convergence under differing divergent starting conditions,” University of Nebraska at Omaha Institute for Collaboration Science Summer Seed Grant, June 2007.
\$500.00	“Trust development in virtual teams: Understanding the development of trust and the role of team goals and technology,” University of Nebraska at Omaha University Committee on Research (UCR) Grant, May 2007.

TEACHING

Courses Taught

Drake University, Des Moines, IA (2015-present)

MBA 256: Information Technology and Business
 MBA 252: Information Technology and Electronic Commerce
 BUS 200: Managing in a Digital World
 IS 210/MDAL 210: Teams, Projects, and Business Analytics
 IS 172/IS 198: Exploring the Silicon Prairie
 IS 164: Project Management
 IS 161: Information Systems Analysis and Design
 IS 160: Database Management
 IS 145: Website Technology

Appalachian State University, Boone, NC (2009-2015)

CIS 4536: IT Innovation
CIS 3870: Web Development and E-Commerce
CIS 3750/CIS 5350: Database Management
CIS 3710/HON 3515: Emerging Technologies
CIS 3620/HON 3515: Global Information Technologies
CIS 3549: Global Technology and Small Business Development
CIS 2050/CIS 3050: Fundamentals of Information Systems
CIS 1026/CIS 2025: Personal Computing Effectiveness

University of Nebraska at Omaha, Omaha, NE (2006-2009)

CIST 3420: Managing in a Digital World
CIST 3100: Organizations, Applications, and Technology
