Rachel Caufield-Paine was the recipient of the 2019 Madelyn Levitt Mentor of the Year Award at the Gesine dean, even the meetings that went on for far too long and the more difficult moments—and you conference travel grant for each faculty per year. We are Summer in the Dean's office is a good time to tackle questions that need greater planning and with the Bulldog Days of Summer and an academic fair this year, and I know many of you have air (aka not in FAC—it's a sauna in here these days!). June has come and gone, and I am immigration, poetry, and the sensual pleasure of eating gelato. Give it a try!

In memoriam: Dale Miller

Vanderbilt (1949); and a PhD in Church History from University of Chicago (1955). He taught religion where he was living at Brookdale Senior Living. He was 96.

The recipient will be announced at the annual Stalnaker Lecture.

Please nominate a colleague for one of the three college awards. Nominations for the

Nominations Due September 1st

Sabbatical Leave Form

Travel Grant

Grant, and Sabbatical Leave Forms.

There are three form changes for the 2019-2020 year: Travel Grant, Faculty Development food item for the Drake Little Food Pantry in exchange for a raffle ticket and chance at (consider it our mini-midway). We will also be encouraging everyone to bring a non-perishable complete with fair style food options, a pie judging contest, and a few outdoor games Tuesday, July 23 from 11:30 a.m. to 1:00 p.m. in Hubbell. It will be a State Fair theme, this year is an academic fair where the students can visit with faculty from a variety of

During these admissions events, high school students will visit campus for the first time. New

The new admissions cycle has begun already! We will hold four Bulldog Days of Summer on

4:00 p.m. There will be many opportunities for students to visit Drake and have lunch with

Our new graduate, Marcella Riebe, graduated from Drake University with a B.S. in Physics and a minor in English. She will be attending graduate school at the University of Nebraska and will be pursuing a Master's degree in Quantum Physics. We are very proud of her and her achievements.
