Contagious Illness Protocols

Students are to follow CDC protocols applicable to any instance in which a student is contagious with a viral or bacterial infection, such as influenza, strep, mononucleosis, or COVID-19. Although reporting is no longer required, infectious students cannot attend in-person classes and must contact their instructors to coordinate making up any missed material. Faculty may use their own discretion for how to treat absences due to illness.

[CDC Guidance for illness with fever, including influenza.](#)

Please visit Drake's [Contagious Illness Protocols](#) website to review this information. If a student, faculty, or staff member is interested in using a mask to reduce the spread of illness, masks can be found in the Gorsche Student Services Suite. For additional questions, contact Dean Battles.
