

## SPECIAL INTEREST GROUPS

# DOGTOWN AFTER HOURS

**What:** Drake's largest alcohol alternative event on campus- we bring atypical activities to campus like mechanical bulls, ice skating, bumper cars, and laser tag, host many performances, give away big ticket prizes, and provide lots of food (we have even set world records!)

**Why created:** 2 students passed away in 2012 from alcohol poisoning so we host a large scale, safe, collaborative event on a Friday night once a year to promote on-campus activities

**When:** Friday after Spring Break, 8pm-midnight

**Where:** Olmsted
