

Coalition of Occupational
Therapy Advocates for Diversity

Drake University's COTAD Chapter

PUPROSE:

The Drake University COTAD Chapter will strive to support occupational therapy students to work together to develop and promote diversity and inclusion within the Drake OTD program, CPHS and in the Drake community. The Drake University COTAD chapter will create opportunities and resources to foster open conversation and increase awareness about different lived experiences to increase cultural humility.

VISION:

The Drake University COTAD Chapter vision is to promote in the field of occupational therapy a future that is inclusive, accessible, and effective for all leading the way to a healthy society.

MISSION:

The Drake University COTAD Chapter mission is to empower Occupational Therapy leaders to engage in justice, equity, diversity, and inclusion (JEDI) that promote health and well-being for diverse individuals, groups, and populations through evidence-based practice, advocacy, and collaborative community engagement.
